

London Artificial Grass

Product Overview

London Artificial Grass is designed to provide a neat, dense surface suitable for everyday outdoor use. With its balanced structure and natural appearance, it works well in gardens and landscaped areas that require a clean finish with minimal maintenance.

Key Features

- **Dense Natural Finish:** High stitch rate and density create a fuller, well-covered surface.
- **Structured Yarn Design:** Diamond-shaped PE yarn with PP fibres supports a consistent look.
- **Durable Surface:** Suitable for regular use in residential and landscaped areas.
- **UV Stabilised:** Designed to maintain colour over time.
- **Low Maintenance:** No mowing, watering, or fertilisers required.
- **Water Permeable:** Supports drainage for everyday outdoor conditions.

London Artificial Grass uses PE diamond-shaped yarn combined with PP fibres, offering a structured and visually balanced finish. Its higher density supports a fuller appearance while maintaining durability for general use.

Technical Specifications

Yarn Type	PE (diamond shape) PP	Pile Weight	2000 gr/m2
Gauge	3/8"	Total Weight	3100 gr/m2
Stitch/10cm	26	Pile Height	30mm
Density	27100 points/m2	Backing	PU - absorbs odor and liquids
Dtex	12500	UV stability:	meets DIN 53387 standard (6000)

Installation Guidelines

1. **Prepare the Base:** Ensure a level, compacted, and well-drained sub-base.
2. **Lay the Grass:** Roll out in a consistent direction for a uniform appearance.
3. **Trim to Fit:** Cut edges carefully to match the layout.
4. **Join Seams:** Secure joins using adhesive or seaming tape.
5. **Apply Infill (Optional):** Add silica sand for added support and stability.
6. **Brush & Finish:** Brush fibres upright for a natural finish.

Summary

LONDON Artificial Grass provides a dense and practical solution for outdoor spaces that require a tidy, low-maintenance surface. With its structured yarn design and balanced construction, it is well suited for gardens and landscaped areas looking for a clean and consistent finish throughout the year.
